The Arts Council of Southwestern Indiana supports more than 850 artists every year through exhibits, events, workshops, and networking opportunities. We facilitate the sale of nearly 500 pieces of artwork, and distribute hundreds of dollars in awards and commissions annually.

This year will be even better.

The Arts Council has a new, contemporary home at 212 Main St. in Downtown Evansville. The gallery boasts more running wall space for exhibitions, and exciting new opportunities for performing arts and 3D art on the Rooftop Art Deck – the only free, open-air gallery in the region.
