Section 1 - Before You Begin

Welcome!

This section is here to provide you with quick access to general information including deadlines, resources, and information about the online system. Most importantly, we want to make sure you're eligible for the program and provide you with what you need to be successful. If at any time you have a question, do not hesitate to contact us, we're happy to help.

- [Guidelines](#)
- [How to Copy](#) last year's application (FY23) into this one
- [Evaluation Criteria](#)
- [Grant Writing Tips](#)
- [Regional Arts Partner Info](#)

Pro Tips

1. Read the whole application first BEFORE completing the application.
2. Read the [Guidelines](#) before getting started.
3. Are you new? Introduce yourself to your [Regional Arts Partner \(RAP\)](#) - they'd love to help and hear about your project.
4. Echo the narrative question formatting in your responses. For example, if the question has multiple parts like "a. b. c.", put "a." in before your response to that section.
5. Review the IAC's Evaluation Criteria that panelists will review.
6. When writing, **focus on your project activities** (not your organization).
7. Check out these [Grant Writing Tips](#)!
8. The application has been designed to capture the specifics of your project with limited character count for the review. Be clear and concise in your narratives. You do not need to use the full character allowance.

Deadlines

- **First Time Applicants - Draft Application Review deadline February 23, 2023, 4:30 PM EST.** Draft reviews by Regional Arts Partners are available to first-time applicants and

organizations who are not currently receiving funds from the IAC. Reviews are for completeness, clarity, and feedback on the overall application (not copy editing).

To request a review:

- complete all of the fields in the application, but do not hit submit.
- Email your Regional Arts Partner and let them know you're ready for a draft review. They have access to review your online application (do not send a PDF).
- **Application deadline is March 9, 2023 by 11:59 PM EST.** Applications submitted after this deadline will not be eligible for review. Staff will not be available after 5:00 PM EST to assist with applications.

About the Online System

- A PDF copy of the application questions can be downloaded by clicking on the *Question List* button at the top of the form.
- The system auto-saves after every 100 characters typed or every time you click into a new question; however, there is also a "Save" button at the bottom of the page.
- If you copy and paste from an outside document into the online system, be sure to keep track of character limits (including spaces). Also note, formatted text won't transfer when pasted.
- If you do not provide an answer for one of the required questions, you will not be able to submit your application.
- For questions that require a document upload, you can only upload a single file. If you try to upload multiple files, it will override and delete the file previously uploaded.
- Remember to click "Submit Form" when you are finished.
- Once successfully submitted, you will receive a confirmation email, and the application is no longer available for editing.

Privacy Consideration

All documents submitted to the Indiana Arts Commission are public and subject to a public information request, unless marked otherwise. All grant applications are considered public documents and are reviewed and discussed in a public meeting. Applicants should therefore not include any information in the content of the application that cannot be shared publicly or would not be appropriate for panel discussion.
